ASE Juilliard represents the perfect cross, being the offspring of a celebrated elite sport mare who endowed him with strong legs and a solid foundation, while the addition of Egyptian bloodlines contributed show quality, a beautifully arched neck, and a dished face with deep, dark, expressive eyes.

His exceptional movement comes from his dam's side, featuring ground-covering strides with extra power from behind. This has earned him multiple scores of 20 for movement on more than one occasion at shows. However, the most notable trait of Juilliard is his calm and pleasing character. He is very easygoing and loves human contact. All of these qualities, along with his willingness to work, make him the perfect riding horse as well as a highly praised show horse.

Juilliard is sired by Da Vinci FM, a son of the illustrious Versace, making him a paternal brother to Dominic M. The damline of Da Vinci traces back to the beautiful GG Samir, while his maternal lineage goes back to the stunning Hadban Enzahi daughter, Sanacht.

The dam of Juilliard is ASE Bisiriya Hlayyil, an AHW Aritocrat mare who was awarded by the Dutch studbook with the ELITE certificate for the outstanding performances as a broodmare. She also earned a sport certificate in recognition of her exceptional performances as a successful FEI international endurance horse. Not only was she selected for the Dutch National Endurance Team, but she was also qualified to compete at the CEI 3\* level over 160 km!

The sire of Bisiriya is a son of World Champion Hlayyil Ramadan. A stallion carrying not only mostly Egyptian blood, but who also goes back to one of the strongest Desert bred lines in Jordan.

The dam of Bisiriya is the mare Manilah. She is a daughter of Radamess II by Salaa el Dine and come out of the elite mare Marischka, who was by World reserve champion Plakat en came out of the beautiful Egyptian mare Malisha bint Galal. Marischka is also the dam of multi show champion stallion Major.
